

**Nearly
 700
 attended an
 Opioid Awareness
 Event at
 Jaemor Farms
 in October**

**Since the
 partnership formed,
 we've hosted
 5
 community
 forums,
 educating thousands
 about topics from
 opioids to vaping**

**Helped in founding
 J's Place,
 a new community
 center which
 supports and
 advocates for our
 recovering
 community**

**Supported the
 development of
 Opioid Training
 for family members
 through
 3 Steps
 To Save A Life**

Some of our NGHS partner's NICU nurses and leaders recently presented at the Sigma Theta Tau International Nursing Honor Society Convention in Washington, D.C. – a biennial conference that connects more than 4,000 nurses across 100 countries to help improve patient care. The staff shared the work NGMC is doing to improve the care infants with Neonatal Abstinence Syndrome and their families.

 giving.

Drug Free Hall is a partnership of agencies and community members dedicated to providing Hall County, Georgia, with information, resources and actions to address the drug problems of Hall County.

Alcohol and drug addictions destroy our families, but working together, we can help those struggling with addiction learn to live in recovery and work to prevent addiction and the destruction it causes in our community.

*We welcome your passion and commitment.
